**Ref.: Final results of the Gold Initiative Certificate**

Dear MR. SHAHINE,

Greetings from the Arab Hospitals Federation.

The Arab Hospitals Federation is very impressed by the remarkable efforts you and your esteemed team have invested in the realm of digital transformation within your esteemed institution.

It brings us immense pleasure to extend our deepest congratulations for being one of the winners in the Gold Initiative certificate- The Arab Healthcare Digital Transformation Star launched in partnership with HIMSS.

This award is dedicated to honor the Healthcare sector, Leaders & Institutions committed to implement innovation & technologies, reinforce the investments, improve patient outcomes, enhance efficiency, reduce costs, increase access to care, advance research and Lead Healthcare sector towards Digital Transformation.

The Award ceremony will take place during the Opening Ceremony of MedHealth Abu Dhabi 2023, the 24th Annual forum of the Arab Hospitals Federation that will be held on 25 September at 10h00 am at Conrad Abu Dhabi Hotel - Ettihad Tower. This Opening brings together Healthcare Leaders & executives from Governmental & Private Healthcare sector, key decision makers in the Healthcare Authorities, CEOs from pharmaceutical sector, C Level Executives for Healthcare Institutions and Media.

The judging Panel has assessed your submitted file and your Organization has scored:

**- Platinum Star in the category of INTEROPERABILITY AND HEALTH INFORMATION EXCHANGE**

Again, we would like to congratulate you and wish **ABU DHABI HEALTH DATA SERVICES (MALAFFI)** team always a continuous journey of success, prosperity and distinction, hoping that together we will contribute to improve the Arab Healthcare sector and lead the digital transformation in the Arab countries.

Sincerely Yours

**MP. Fadi Alame**  
President
